Directions for all vehicles - use this in conjunction with the rough plan on the League Website, this identifies where the various Car Parks are situated as you proceed on the road passing between Campus Buildings.

AS WAS ADVISED FOR STAFFORD COMMON, WHEN LEAVING RODBASTON CAMPUS, BY USING THE EQUINE ENTRANCE, TURN LEFT AND TRAVEL THE SHORT DISTANCE TO THE GAILEY ROUNDABOUT TO COMMENCE YOUR RETURN HOME FROM THERE !!!

From M6 Junction 12 - Cannock/Stafford. Follow sign A5 to Telford, at the next roundabout take 3rd exit A449 Stafford. Look for the Equine Entrance for Rodbaston Campus on your right.

From M6 Junction 13 - Stafford South. Follow A449 Wolverhampton, pass through the centre of Penkrige. After going straight ahead over a mini-roundabout continue past the sign for the Main Entrance of Rodbaston Campus, then use the Equine Entrance to access the Site.

Alternative route from West Cheshire/North Wales - Use A41 down through Newport. Join the M54 at Junction 3 - Wolverhampton and proceed to Junction 2 - I54 Site, leave the Motorway, follow signs A449 Stafford, at the Gailey roundabout crossing the A5, go straight ahead A449 Stafford. Look for the Equine Entrance for Rodbaston Campus on your right.

Alternative route from Stone - Follow A51 Rugeley, after passing the Wolseley Garden Centre, you approach a roundabout, head for Rugeley Town Centre (do not follow A51 Lichfield - this is the by-pass). After a short distance, move into a feeder lane turning right into Etching Hill, continue past the Estate on your left going straight ahead into the countryside, the road eventually bears left where horses are in the paddocks. Proceed up to the junction, passing Silvertrees Caravan Site on your right. This area is Cannock Chase (ANOB) - turn right towards Penkrige (40 MPH potential deer hazard). On reaching the A34 at Pottal Pool roundabout, go straight ahead towards Penkrige. Proceeding into Penkrige, you will meet the A449 turn left towards Wolverhampton, you will then go past the sign for the Main Entrance of Rodbaston Campus, then use the Equine Entrance to access the Site.

From Uttoxeter- Proceed towards Stafford on the A518, at Weston turn left onto A51 - Rugeley, then continue as above.

From Telford - use M54 route detailed above.
