Free* The club pays a registration fee to the N Staffs and Manchester XC Leagues. This allows any VRAC member to run for free. Both these leagues are great for gaining experience and are open to all age groups, including U11s.

Road relays are usually run in a park setting on hard paths.

Talk to your coaches to determine which events you can/should compete in:
U11s need to be school years 5 & 6, and NOT 11 before 1st of September in any year.
If 11 before September then athletes must compete as U13.
For cross country age categories - ask your coach.
