

Vale Royal AC – Membership Types Explained 2026

- **Adult Members 2026** – This is for new and existing members.
- **Junior Members 2026** – This is for new and existing members.
- **Family (2 competing Members) Members 2026** - If applying for a family membership please only include 2 competing members here (multiple non-competing family members may be added). More than 2 competing family members must be added using the membership type 'Additional competing family members 2026' as an additional fee is required.
- **Additional competing family members 2026** – This membership is only to be used if the 'Family (2 competing Members) Members 2026' has been completed and paid for but you require further family members to compete.
- **Add on to become family membership 2026** – This should only be used if you have already completed and paid for another family member using either the 'Adult Members 2026' or 'Junior Members 2026'.
- **Run Together Group (Non-Competitive) 2026** – This membership is for the Run Together Group who are non-competitive and do not wish to be affiliated to England Athletics for competitions. If you are part of the Run Together Group but wish to take part in competitions for the club, then please use 'Adult Members 2026' membership type so you can be affiliated. **This membership type is not for '2nd Claim' competitive athletes.**
- **2nd Claim 2026** – This is for those athletes who are a first claim member with another club, but who wish to train with VRAC. Please indicate your First Claim club when completing the form.
- **Coach/Official 2026** – Any coaches or officials should register with this membership type.
- **Life Member 2026** – Life Membership is awarded as per the details in the club constitution. Members will have been informed if they can use this membership type. Life members must renew each year to ensure that their England Athletics affiliation is completed.
- **Direct Payment 2026** – This is only to be used if directed by the Membership Secretary.
